New Mexico General Registration Instructions

To begin registration for your fingerprinting appointment, begin by accessing https://nm.ue.state.identogo.com/ue

On the home screen will see a field to enter your service code. This code is provided to you by the agency you are being fingerprinted for. Enter the code and click “Get Started”

The next screen you see will be confirmation of the service code and agency details. If correct, click “Start Enrollment”. If incorrect, reach out to your agency directly for help.

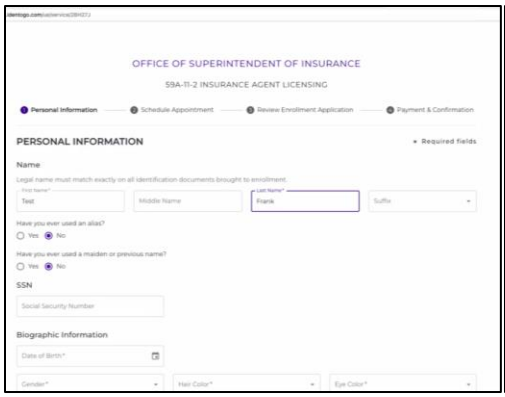

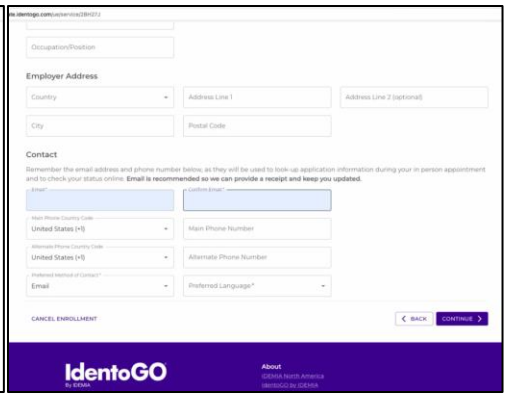

New Mexico General Registration Instructions

Next you will see the disclosure. Read thoroughly and click the box to acknowledge, then click “Continue”. You also have the option to download this statement for your records.

Next, enter your personal information. Be sure to complete all fields with an asterisk *, an error message will be returned if these fields are left blank. Click “Continue” when the required information has been entered.

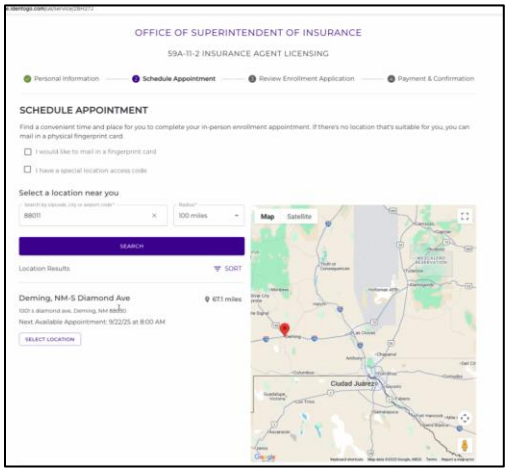

Now, you will be asked to select a location for your fingerprinting appointment.

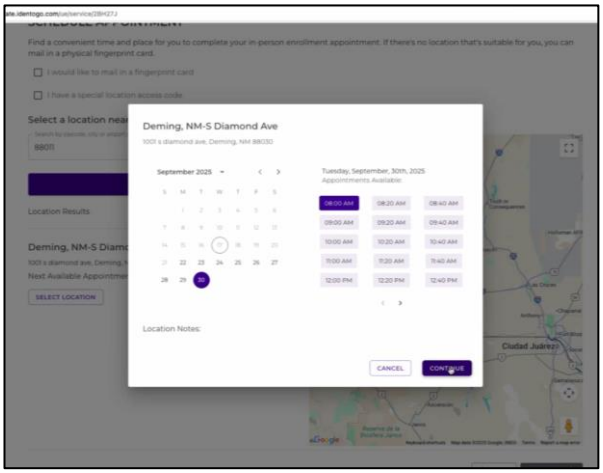

You will see two boxes with options for specific cases.

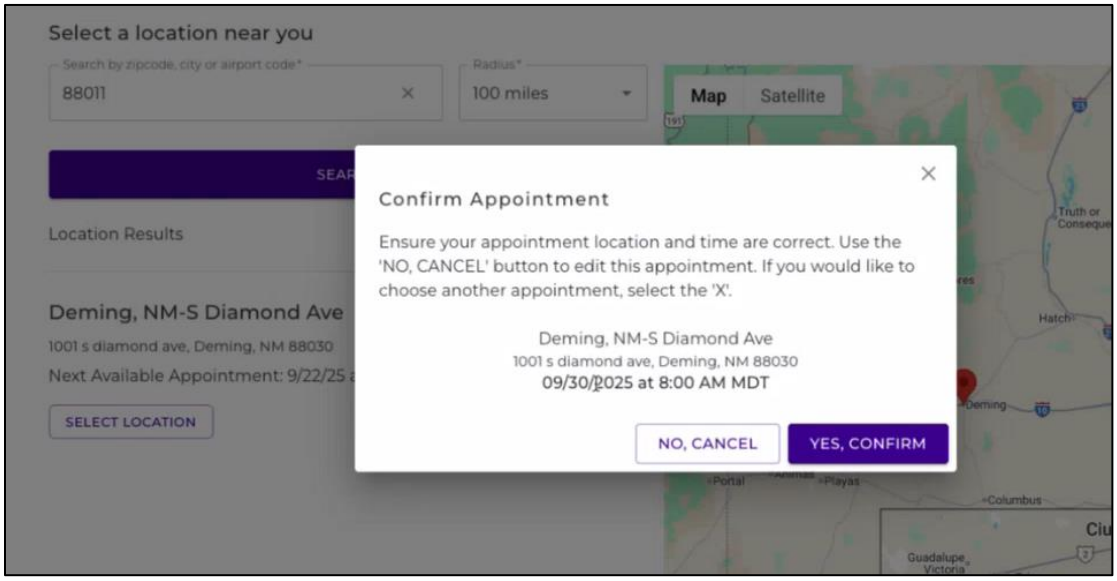

- I would like to mail in a fingerprint card – Only select this option if you are an out of state resident and are required to submit a fingerprint card.
- I have a special location access code – Only select this option and enter this code if provided by your agency.

New Mexico General Registration Instructions

For a standard appointment, enter the zip code or city, select your preferred location and date/time.

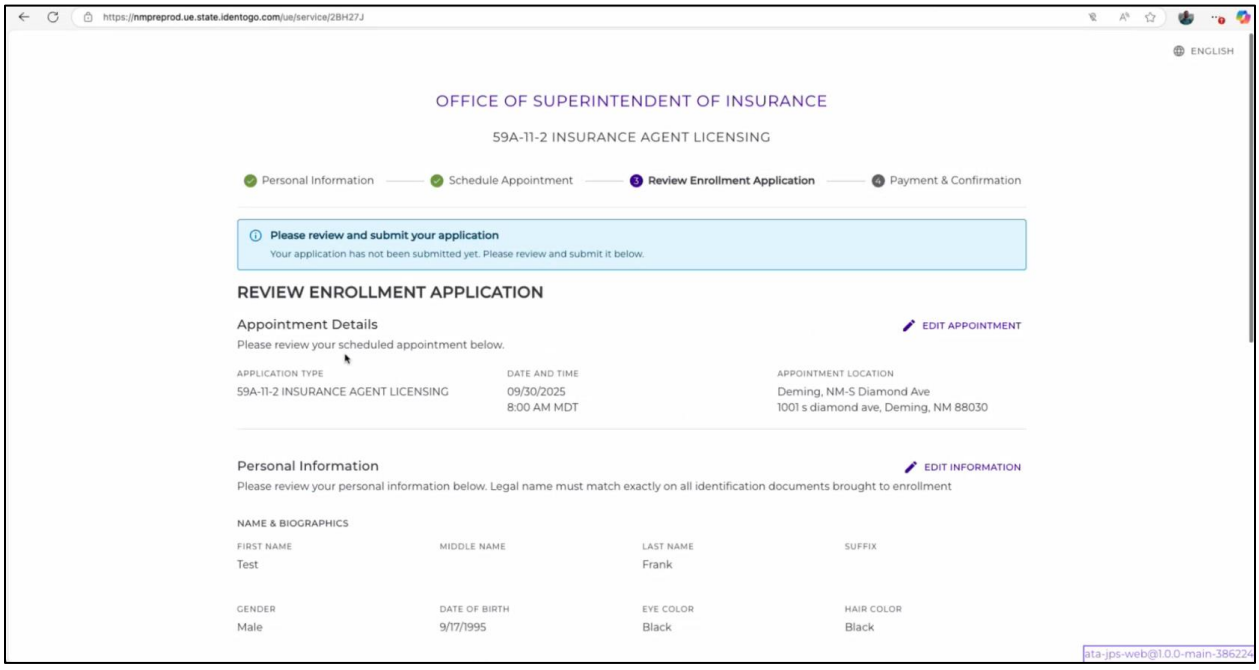

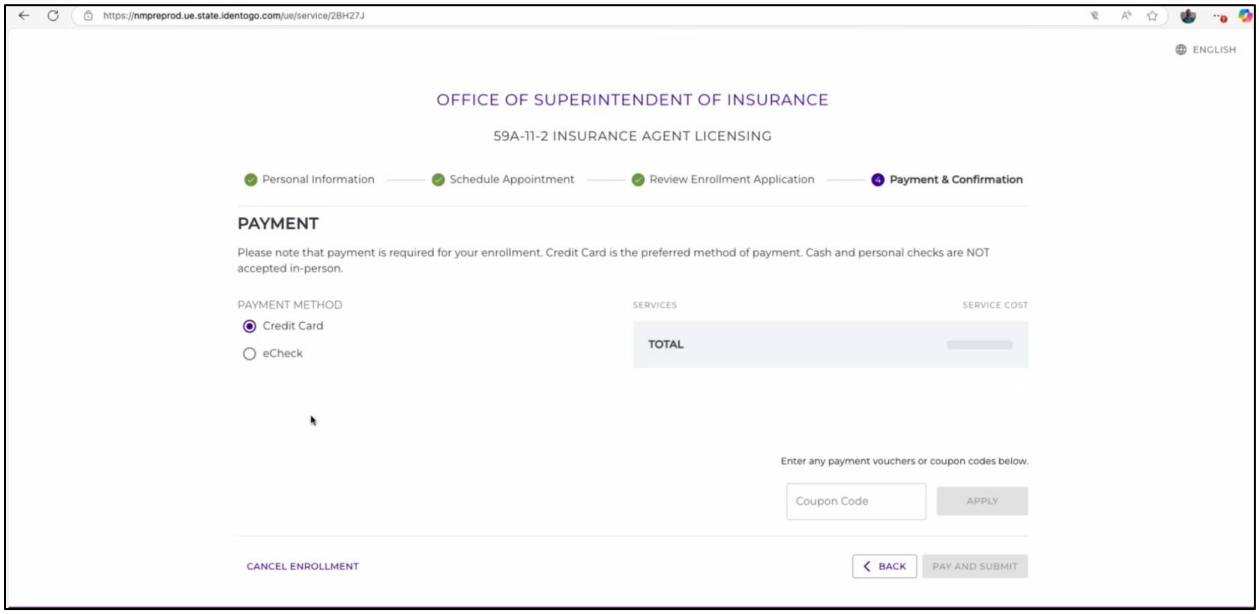

The next page will be confirmation of the information being submitted. Read thoroughly and scroll to the bottom to continue to payment.
