# Medicaid Policy Changes Due to COVID-19

**Already implemented:**

1. **Three month renewal extensions**-MAGI Medicaid renewals are extended three months for individuals who fail to complete the 12-month recertification process after going through the automated administrative renewal process, the manual administrative renewal process, and issuance of the MAD 608 renewal form. Individuals who normally would have closed March 31, 2020 due to failure to recertify had their certification period extended through June 30, 2020. This same process will occur for April and May renewals. This may continue for later months if the emergency continues. Applies to non-MAGI Medicaid categories also that failed to recertify. Implemented in ASPEN on March 31st.

2. **Increase Presumptive Eligibility (PE) Determiner scope and qualified entities**-Most PE determiners are limited to approving PE for MAGI Children/CHIP and MAGI Pregnancy Services. Change was made to allow HSD employees to approve PE and to allow most PE determiners to approve all MAGI Medicaid categories of eligibility. Change was implemented on April 07, 2020.

3. **Reopen and Sustain Medicaid Cases**-The requirement is that anyone receiving Medicaid March 18th and ongoing for the duration of the emergency continue to be covered at the same level of coverage. There are three exceptions: client requested closure, deceased individuals, and moved out of state. April 2020 closures were reopened and sustained through July 31, 2020 and can be extended if the emergency continues. Implemented into ASPEN on April 26, 2020.

**In process (not implemented yet):**

4. **Accept self-attestation for Medicaid**-Accept self-attestation for all factors of Medicaid except for citizenship/immigration. Process Medicaid applications for MAGI and non-MAGI categories based on self-attestation of 2 income and resources. Excludes IC/Waiver/PACE categories. For those cases not reasonably compatible approve and issue a 90 day HUMAD.

5. **New COVID-19 testing category**-This will be implemented in Omnicaid and not ASPEN. New uninsured category which will cover COVID-19 testing and related services. Applications will be sent to and processed by Conduent staff to allow for fee-for-service payments to providers for COVID-19 testing and related services.

6. **Exclusion of $600 weekly unemployment benefit stimulus payments**-Medicaid excludes $600 weekly unemployment benefit stimulus payments. ASPEN solution being developed across programs that treat the handling of unemployment monies differently as well as regular unemployment benefit extensions.

Cases closed for procedural reasons show low timeliness percentages due to the requirement to maintain Medicaid from March 18, 2020 for the duration of the COVID-19 emergency. To maintain Medicaid many March 2020 cases had to be reinstated manually by ISD field workers so there would not be a gap in coverage. To maintain Medicaid eligibility for April 2020 cases also required a manual reinstatement effort by ISD field workers as the ASPEN system fix to maintain Medicaid for the duration of the emergency still resulted in exceptions that had to be resolved manually.
